Our founder President (Late) Dr. Rafiq Zakaria started the Maulana Azad College Of Arts, Science and Commerce in 1963. It is housed in a large and beautiful campus with Mughal architecture where a pleasant blend of medieval and modern structures co-exist in harmony with a pristine greenery.

The college grew from strength to strength with post graduation in a number of subjects as well as new courses being included every year such as the skill development and Entrepreneurship development courses, Career oriented courses / programs funded by the UGC.
